

# Yard Waste Collection Guidelines:

1. The Special yard waste bag may be purchased through local through local retailers. A Home Depot type or Lowes type paper lawn waste bag is an acceptable container to be used for the placement and storage of yard waste. Personal containers are also acceptable however they must not exceed 35 gallon capacity.
2. The yard waste bag is for loose yard debris. Yard debris, such as grass clippings, leaves, small branches and shrubbery clippings must be placed inside the yard bag in order for collection to occur.
3. Larger limbs and branches must be bundled in 4ft. lengths, no larger bundle than 12 inches in diameter and weigh less than 50 pounds and shall be tied or secured with natural rope, strings or cloth strips or other bio-degradable material.
4. Yard waste shall be collected at the curb weekly at no additional cost. Residents need to call Town Hall for questions regarding yard waste collection. (770) 867-0702
5. Yard Waste placed for collection in plastic bags will not be collected.

All Town of Bethlehem residents will receive Yard Waste weekly collection service on FRIDAY of each week, unless changed by the Contractor in which case adequate notice will be provided.
